Huron Valley

Affiliate of Distinction 2015-2019

Everyone is entitled to a safe, affordable home.

Finding affordable, safe housing is becoming more of a challenge every day. In 2019 the average single family sales price rose 4.4% in Washtenaw County, compared to 2018. This also means the cost for Habitat for Humanity of Huron Valley to purchase homes to renovate is rising. For 30 years we have grown and added programs to serve and assist more people and will continue to do so, but we need your help!

Without your support we cannot provide the programs that help hundreds every year. Habitat for Humanity of Huron Valley continues to build stronger communities and affordable homes in Washtenaw County through our programs and in partnerships with families and community members. Our volunteers, donors, and advocates help Habitat homeowners build a better life for themselves, for their families, and for our community.

This year Habitat for Humanity of Huron Valley is delighted to report that we served and assisted 1,077 families and renovated 19 homes. On behalf of the Habitat Board of Directors and Staff, I am proud to share the annual report for fiscal year 2019.

Our volunteers, supporters and homeowners are the backbone of Habitat. Together we continue to make a lasting impact in Washtenaw County. Thank you for making our work possible as we bring people together, like few others to build homes, communities and hope...[under one roof](#).

In partnership,

Sarah Stanton
Chief Executive Officer

"I am so grateful for Habitat, it is a blessing for our community. Working with Habitat was a period that I realized I can do everything if I truly believe in it and in myself. It was a great learning period, with great 'teachers' if I can say it. Only LOVE can make this possible, and I really appreciate it! I feel so proud of myself for this accomplishment, and I can say that everything is possible, if you believe in it. Just give it a try."

Community Development Program

Habitat partners with residents and community partners in three Ypsilanti Township neighborhoods – Gault Village, West Willow, and Sugarbrook – to guide a long-term participatory neighborhood planning process. This strategic investment, combined with our Home Ownership Program renovations and Home Improvement Program projects, further stabilizes these communities.

We engaged with 2,185 residents and community partners in FY 19

In November the West Willow Tool Lending Library opened. Residents can borrow tools for home improvement and beautification projects.

Activities Directly Support Neighborhood Priorities Identified by Residents

- Social events such as picnics, ice cream socials, and holiday gatherings
- Neighborhood beautification including exterior home improvements, leaf raking, community clean-up days, and dumpster days
- Youth engagement including family movie nights, youth councils, and trunk or treat
- Neighborhood branding such as entrance signs, t-shirts, and social media sites
- Neighborhood amenities such as Little Free Libraries, tool lending library, park improvements, and vacant land discussions

Sustainability

Under one roof.

The ReStore is a retail store operated by Habitat for Humanity of Huron Valley. The ReStore is a place for the public to shop for discounted merchandise, donate used items, and volunteer their time to support Habitat for Humanity. Over 85% of what the ReStore sells comes from donations from residents and businesses in the community. Donations help divert items from the landfill and provides low-cost merchandise to the public. 100% of ReStore net revenue is invested back into our programs to help more families.

Sales from the ReStore provided funds to renovate homes in Washtenaw County!

Visit the ReStore website to learn how to donate, shop, or volunteer: www.annarborrestore.org or call 734-276-0599.

Follow us on Facebook where we update pictures of our inventory regularly! Visit: www.facebook.com/h4h.restore

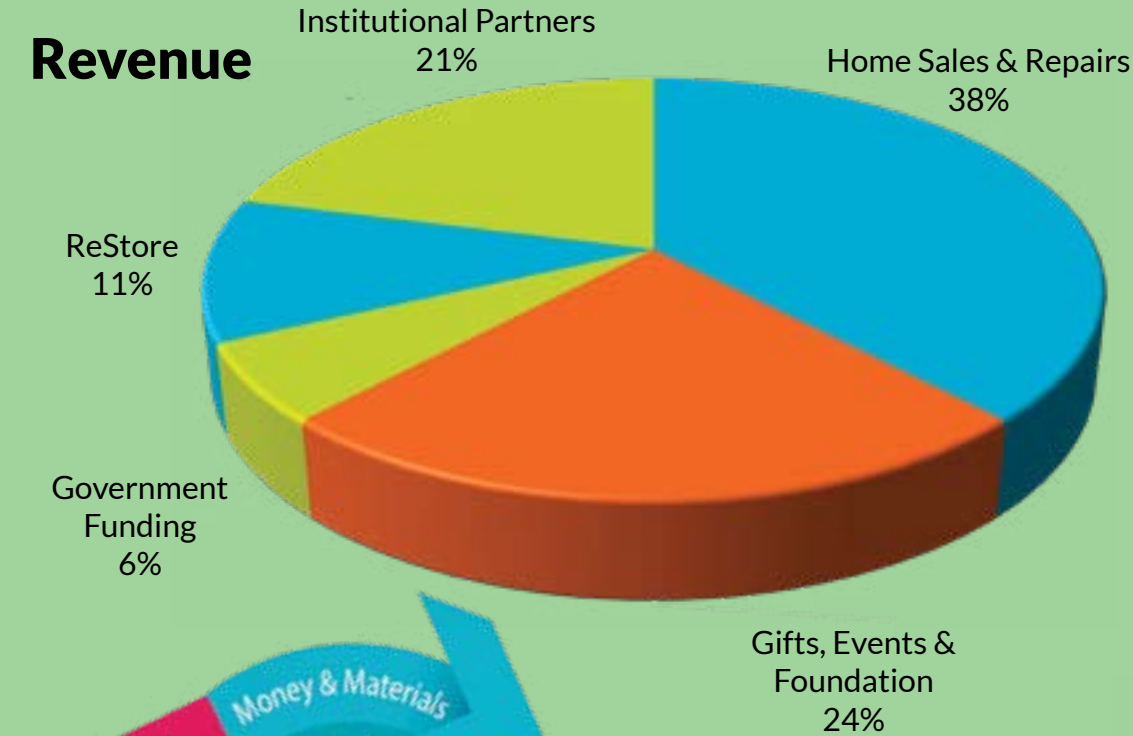

Energy Efficiency

Habitat is a good steward of the environment. We focus on energy efficiency in everything that we do. From our highly energy efficient renovations to our refrigerator replacement program to the ReStore, *we concentrate on making a difference for our families, the community, and the environment.*

Through our focused and thoughtful renovation process we were able to reduce energy costs by about **\$800** annually in each Habitat home we sold.

The impact of our 2019 house renovations (compared to new construction) saved over **993** metric tons of greenhouse gases. In addition, the environmental impact of all of our home improvement programs in 2019 was equivalent to eliminating **8.5 million** passenger vehicle miles and our ReStore operations diverted **770** tons of waste from landfills.

Revenue & Expenses

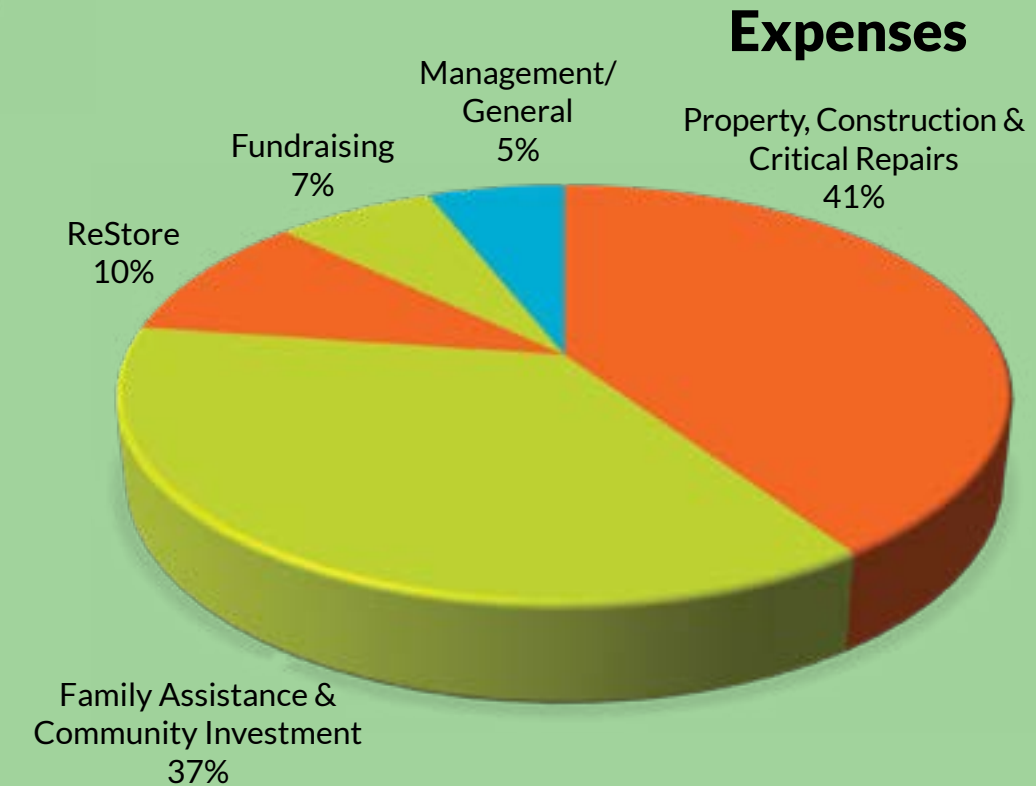

Habitat for Humanity of Huron Valley's revenue for Fiscal Year 2019 was approximately \$8.15 million.

Habitat is proud to receive a broad base of support from our community.

A Better World

Habitat for Humanity of Huron Valley's impact goes beyond Washtenaw County. For every home we renovate, we sponsor one in either Guatemala or Haiti. To date, we have sent more than \$794,450 to build homes and help more than 199 families abroad.

But that's not all. Every February we send a team to Guatemala to make a difference and to do our part to eliminate poverty housing. In 2019, a group of volunteers made the journey to the beautiful mountain city of Quetzaltenango to help build homes and smokeless stoves for two families. “Owning a home to me means a fresh start filled with promise. Owning a home means being able to tuck my children into bed, without being subject to a sometimes unpredictable and unpleasant environment. I look forward to filling the hallway of our home with laughter, the kitchen with the smell of homemade meals, and the backyard with unrestrained joy. I can’t wait to create a sanctuary, a safe haven, and a legacy in our new home.”
